Solar Lights Inc wants to put \$500.00 in an Escrow Account and draw from that account for the purchase of permits and payment of re-inspection fees. Solar lights Inc will make deposits into the account as needed.

Escrow Accounts are commonly used in the Building Department as a service for our customers. It does away with the necessity to issue a check for each permit application, for contractors pulling large numbers of permits.

**ESCROW AGREEMENT
BUILDING PERMIT FEES**

THIS AGREEMENT is made and entered into this 12th day of August, 2009 between Sumter County, Florida (County) and Solar Lights Inc. (Contractor). Whereas, the County, through its Department of Building Services (Department) issues building permits for a fee in connection with all building activity within Sumter County, and Whereas, the County cannot extend credit to private parties, and Whereas, Contractor is a regular customer of the Department, and Whereas, Contractor desires to set up a procedure that would allow the County to bill the Contractor at the end of each month for Contractor's building permit fees as opposed to requiring cash payment in advance on each permit, and Whereas, this will require a deposit of escrow funds to cover at least one month's billing for such services.

Now therefore, the parties agree as follows:

1. The Contractor shall initially deposit with the County the sum of \$ 500.00. The amount of escrow shall be adjusted as necessary to ensure that sufficient funds are on hand to cover all fees due for any one month. Said escrow amount shall be held in escrow by the County to be applied toward the permit fees of the Contractor. Interest earned shall accrue to the County.
2. Permit fees shall be reconciled on a monthly basis as follows:
 - a. On the first workday of each month, the Department shall furnish the Clerk and Auditor to the Board (Clerk) with an itemized statement for the previous month's permit fee activity of the Contractor. The permit fee total of the Contractor for the previous month shall be withdrawn from the escrow account and credited as Department receipts on the last working day of the billed month.
 - b. At the same time, the Department shall furnish the Contractor with an itemized statement for the previous month's building permit activity of the Contractor. Within three working days of the receipt, the Contractor shall submit an amount equal to the previous month's billing to be deposited in the escrow account for the Contractor.
3. The escrow may be terminated at any time by request of the Contractor and all Remaining funds and accrued interest shall be refunded to the Contractor.
4. No building permit shall be issued by the Department for which there is insufficient escrow funds available. If there are insufficient funds in the escrow account the Contractor may either increase the escrow amount prior to permit issuance or pay for the building permits individually.
